

Financial Analyst

We are on a mission to open up new rich worlds at the intersection of Marketing and Commerce, to the benefit of consumers and local players.

ThinkDigital Group (TDG) has been breaking down the barriers keeping advertising hostage in Europe & the Middle East since 2006. We have successfully been doing it through our four companies: **ThinkDigital, ForestView, TailWind and Project Agora.**

Your Impact

We are seeking to hire a **Financial Analyst** with a focus on working on the analysis of financial results and metrics as well as preparation of forecasts and budgets. As a Financial Analyst, you will be responsible for providing organizational support for the management of the Finance of TDG's companies.

Being part of a fast-growing scale-up organization, the role requires an energetic, agile and highly technical financial professional, who can use data and go deep into the details and find critical facts, opportunities and risks.

Key Responsibilities

- Assists in the preparation of month-end reporting.
- Performs variance analysis to Budget/Forecast.
- Takes part in management accounts reconciliation.
- Participates in the Budget process.
- Ensures that financial and accounting process documentation is updated.
- Engages in ad-hoc financial projects.

We're looking for someone who

- Holds a Bachelor's Degree in Finance, Accounting, Economics or relevant field. Master's Degree will be considered an advantage.
- Has 1-3 years of experience in finance, preferably in a multinational company, will be considered a plus.
- Displays analytical, problem-solving, and communication skills.
- Is proactive and detail-oriented.
- Is able to handle effectively multiple tasks and special assignments.
- Has advanced Excel skills.
- Speaks fluently in English.
